It is my pleasure to be your Chairlady for this forthcoming year.

Firstly, I would like to thank you all for your continued support for the Centre.

This year there have been many Centres struggling for Committee at their AGMs and some have gone into hibernation.

This year could have been similar for our Centre, as Steve had decided that after undertaking 5 years as Chairman he would be stepping down. In order to avoid South Staffs being in this situation and the fact that Steve was concerned that after all the hard work he had done over his Chairmanship that the Centre did not finish. As a last-minute decision and after many conversations - it was decided that I would take on the role as Chairlady and Steve would take on the role as Treasurer.

As you can appreciate, I have a young family and also work for our own business. I will therefore do my best to fulfil the Chairlady's role to the best of my ability, but would appreciate support when necessary. Myself and the Committee would appreciate some new people to join us on Committee to take on some roles as obviously we would all like a rest - as most of us have been on Committee for some considerable time.

As always, I would like to thank our Rally Secretary Trevor Watkins for another great rally programme for 2020. This is a very time-consuming job for him and can be very disheartening when rallies get cancelled due to lack of interest. Your support would be gratefully received.

Finally, Steve and myself wish all our members a very happy, healthy and prosperous 2020 and look forward to seeing you on the rallies.

Tracy McGuire.

Rally Secretary's Message

Welcome to a new year of rallying with South Staffs Centre.

As usual I must start by thanking all the members who have volunteered their services to run rallies in 2020, and also the landowners for allowing us to use their land. This year we have a mixture of new and old venues for you to visit, and I hope you find the programme varied and interesting.

The number of rallies this year has decreased a little from last year, but the rallies that are going ahead are being marshalled by a few new marshals, and I hope you will give your support to them by booking into their rallies. Other Centres in our region are still finding difficulties in sustaining the number of events and the attendances that were enjoyed in years gone by. If you haven't marshalled before or have not done so for a while, why not come to the Chairman's Forum rally in May at Willows Farm, Warton, or the AGM in October at Colton Village Hall, and put your hands up to run a rally. Also, I would ask that members please book in a little earlier for the rallies that they intend to attend, we have to give landowners notification if a rally has to be cancelled due to low numbers, and this has resulted in a number of rallies being cancelled last year.

Finally, may I wish you all a happy and safe rally year for 2020.

Trevor Watkins.

Rally Secretary.

2020 Rally Marshals

Dear Centre members,

Just a note to those members who may wish to Marshal a rally in 2021. In order to avoid disappointment, would anyone who wishes to Marshal one of the events listed in the Provisional 2021 program please note the following.

In order to give everyone, the same chance you may advise me, (in advance of the Rally program meeting on Sunday 17th May at Willows Farm, Warton) your intentions, in particular where you have run the same rally for a number of years. This can be done by telephone, but must be confirmed in writing and presented by a friend at the meeting.

If more than one member wishes to marshal the same rally, a cut of playing cards will decide which member will be chosen as the marshal. (It will be Ace High, High card wins).

This is intended to give everyone an equal chance to marshal those rallies in which they are interested.

If potential marshals suggest a new venue, which they would like to run, they will be given priority at the meeting, again this should be done in writing in advance of the meeting.

I will update the provisional program with the names of those who have advised their intentions in advance.

Thanks for your help and understanding on this matter and I look forward to receiving your ideas for venues for 2021.

Furthermore, it has been decided that anyone who wishes to run a Holiday Rally, should also be prepared to attend a minimum of 5 South Staffs weekend rallies during the year.

Would marshals also contact the plaque officer to notify the number of plaques required, and their chosen motif. The motifs can be viewed on the FM-Tags web-site www.fm-tags.co.uk.

Also, when marshals receive an on-line booking for their rally, could they please respond to it, to let the member booking know that they are booked in.

Trevor Watkins, Rally Secretary SSCC

- (c) Any cancellation less than 1 week (7 days) before the rally will not be refunded (except for point (a) above).

If the centre cancels a rally, all deposits are refundable.

16: A Plain Red or Yellow Flag flown from the flagpole indicates that a Marshal is restricting vehicle movement on the site. Vehicles must not be moved without a marshal's permission. Other Centres including the Caravan Club may use a Yellow Flag.

17: If a tow is accepted, it is on the understanding that the owner or driver of the towing vehicle shall not be held responsible for any damage incurred. Persons accepting a tow from a 4X4 vehicle do so entirely at their own risk. Members will be expected to offer £1.00 per tow for this service.

Hints For New Ralliers

To attend a rally.

- 1: Complete in full the details requested on the rally booking form.
- 2: Deliver the completed form to the Rally Marshal either by post or by hand at least two full weeks before the start of the rally (some rallies require more notice).
- 3: Alternatively, it is possible to book directly through the website, by clicking on the relevant rally, then "book online", after which, the booking form should be completed and submitted. A automatic confirmation will be received, and for some rallies where a deposit is required, you will be advised of the amount to be forwarded to secure the booking.

Finding the site.

- 1: Brief instructions are given in the online Rally Book. Near the site look out for our SSCC rally signs (A yellow sign with SSCC).

- 2: Confirm directions with a map before setting out.

At the rally.

- 1: You will be handed an envelope detailing expenses to be paid.
- 2: The fee should be paid in full, less the booking deposit, unless indicated otherwise in the rally brochure.
- 3: The Rally Marshal will either designate a pitch for your caravan or give you a choice.
- 4: Location of a drinking water supply and chemical waste disposal will be indicated by the rally marshal.
- 5: It is essential that you provide your own chemical sanitation at Centre rallies.

- 7: It is usual to park the towing vehicle on the offside of the caravan and to respect your neighbour's space.
- 8: Centre rules require a minimum distance of 6 meters between the sidewall of adjacent caravans. Unless site space is severely limited ralliers are allocated a larger pitch space than is necessary to comply with this rule.
