CHAIRMANS MESSAGE.

It's a great honour once again to be your Chairman for the 5th year running. I would like to thank the members for their continuing support. I would like to thank my Committee for their support no job has ever been too big for them and they have always given 100% for the Club.

I would especially like to thank my wife Tracy for always being there for me through thick and thin.

2018 was yet another good year for the Club with a lot of the rallies full. On this basis the Committee and myself took the initiative to open the first 6 rallies of the new year at the AGM.

The Junior Committee did very well this year and this keeps growing which is a good sign for things to come.

Trevor Watkins has again put together a great rally program for 2019 with something for everyone. Talking about rallies I hope you will all come and join me at the end of Summer Ball at Drayton Manor.

Finally, please accept my sincere thanks to you to all for your support and Tracy and I would like to wish you all a Happy New Year.

Happy Rallying.
Stephen McGuire.

Rally Secretary's Message

Welcome to a new year of rallying with South Staffs Centre.

As usual I must start by thanking all the members who have volunteered their services to run rallies in 2019, and also the landowners for allowing us to use their land. This year we have a mixture of new and old venues for you to visit, and I hope you find the programme varied and interesting.

The number of rallies this year has remained close to the number as last year, but the rallies that are going ahead are being marshalled by a few new marshals, and I hope you will give your support to them by booking into their rallies. Other Centres in our region are finding difficulties in sustaining the number of events and the attendances that were enjoyed in years gone by. If you haven't marshalled before or have not done so for a while, why not come to the Chairman's Forum rally in May at Greenacres Farm and Fradley Village Hall, or the AGM in October at Colton Village Hall, and put your hands up to run a rally.

Finally, may I wish you all a happy and safe rally year for 2019.

Trevor Watkins.

Rally Secretary.

2019 Rally Marshals

Dear Centre members,

Just a note to those members who may wish to Marshal a rally in 2020. In order to avoid disappointment, would anyone who wishes to Marshal one of the events listed in the Provisional 2020 program please note the following.

In order to give everyone the same chance you may advise me, (in advance of the Rally program meeting on Sunday 19th May at Fradley Village Hall) your intentions, in particular where you have run the same rally for a number of years. This can be done by telephone, but must be confirmed in writing and presented by a friend at the meeting.

If more than one member wishes to marshal the same rally, a cut of playing cards will decide which member will be chosen as the marshal. (It will be Ace High, High card wins).

This is intended to give everyone an equal chance to marshal those rallies in which they are interested.

If potential marshals suggest a new venue, which they would like to run, they will be given priority at the meeting, again this should be done in writing in advance of the meeting.

I will update the provisional program with the names of those who have advised their intentions in advance.

Thanks for your help and understanding on this matter and I look forward to receiving your ideas for venues for 2020.

Furthermore, it has been decided that anyone who wishes to run a Holiday Rally, should also be prepared to attend a minimum of 5 South Staffs weekend rallies during the year.

Would marshals also contact the plaque officer to notify the number of plaques required, and their chosen motif. The motifs can be viewed on the FM-Tags web-site www.fm-tags.co.uk.

Also, when marshals receive an on-line booking for their rally, could they please respond to it, to let the member booking know that they are booked in.

Trevor Watkins, Rally Secretary SSCC

THE SUCCESS OF THE CENTRE DEPENDS ON WHAT MEMBERS PUT IN.

If you would like to have a go at Marshalling then contact our Rally Secretary
Trevor Watkins on 01543 377900 Mob 07922 171925.

Hints For New Ralliers

To attend a rally.

- 1: Complete in full the details requested on the rally booking form.
- 2: Deliver the completed form to the Rally Marshal either by post or by hand at least two full weeks before the start of the rally (some rallies require more notice).
- 3: Alternatively, it is possible to book directly through the website, by clicking on the relevant rally, then "book online", after which, the booking form should be completed and submitted. A automatic confirmation will be received, and for some rallies where a deposit is required, you will be advised of the amount to be forwarded to secure the booking.

Finding the site.

- 1: Brief instructions are given in the online Rally Book. Near the site look out for our SSCC rally signs (A yellow sign with SSCC).
- 2: Confirm directions with a map before setting out.

At the rally.

- 1: You will be handed an envelope detailing expenses to be paid.
- 2: The fee should be paid in full, less the booking deposit, unless indicated otherwise in the rally brochure.
- 3: The Rally Marshal will either designate a pitch for your caravan or give you a choice.
- 4: Location of a drinking water supply and chemical waste disposal will be indicated by the rally marshal.
- 5: It is essential that you provide your own chemical sanitation at Centre rallies.
- 6: You may require levelling blocks as some pitches are on sloping ground.
- 7: It is usual to park the towing vehicle on the offside of the caravan and to respect your neighbour's space.
- 8: Centre rules require a minimum distance of 6 meters between the sidewall of adjacent caravans. Unless site space is severely limited ralliers are allocated a larger pitch space than is necessary to comply with this rule.
- 9: Members are allowed to reserve **one space** for a friend – a chair or bucket placed on the pitch indicates such a reservation.
- 10: Members are required to place a fire bucket outside their caravan.

General.

Additional information will be supplied with your rally programme when you arrive.

"Flag" is a meeting of ralliers, addressed by the Chairman or his deputy, to thank Rally Marshals and impart news of future events.
